

SHIVAN JUSTIN SINGH

JUNIOR SOFTWARE DEVELOPER | FULL-STACK WEB | DATA & IT

Five Rivers, Arouca, Trinidad and Tobago | (868) 317-2897 | shivan562@yahoo.com

PROFESSIONAL SUMMARY

Early-career Computer Science professional and current Caribbean Airlines Information Technology Intern with hands-on experience in data warehousing, data visualization, production website work, and full-stack web application development. Completed the required coursework for a Bachelor's Degree in Computer Science, with graduation expected in October 2026. Strong foundation in Python, Java, object-oriented programming, data structures, Git/GitHub, debugging, analytical problem-solving, and technical documentation.

TECHNICAL SKILLS

Programming: Python, Java, object-oriented programming, data structures

Web Development: Full-stack web applications, web-based projects, production website contributions

Data & Analytics: Data warehousing, data visualization, analytical thinking, research and information gathering

Tools & Practices: Git, GitHub, debugging, problem-solving, technical documentation, attention to detail

EXPERIENCE

Caribbean Airlines | Information Technology Intern | 2026 - Present | Trinidad and Tobago

- Contribute to data warehousing work that supports organised, accessible data for reporting and analysis.
- Create data visualizations that communicate information clearly and support data-informed decision-making.
- Contribute to small web-based projects and production website work in a live organisational environment.
- Designed and built a full-stack web application from scratch for the new Caribbean Airlines gym, covering front-end and back-end development through end-to-end implementation.

EDUCATION

The University of the West Indies, St. Augustine Campus | Bachelor's Degree in Computer Science | Expected October 2026

Completed required coursework in programming, data structures, and object-oriented programming.
